WHAT IS PEER MINISTRY? It is the story of the good Samaritan. Only instead of preaching and teaching it, you get the skills necessary to live it!

Three Peer Ministry Tracks offered:

PEER MINISTRY I

You will enhance your skills of listening, helping peers and communication. You will discover how caring relationships are a vital ministry.

PEER MINISTRY II

For those who have completed PM I. You will learn more skills for sharing your faith, addressing sensitive issues and dealing with difficult people.

PEER MINISTRY III

For those who have completed PM I & PMII. They will apply their skills in real world scenarios, will help lead worship and will have discussions on “now what?” this group will put the skills they have learned into practice at their schools, churches and post graduation.
